Course Introduction / Overview:

This comprehensive training course, offered by BIG BEN Training Center, is meticulously designed to cultivate high-impact leadership capabilities by deeply integrating emotional intelligence and strategic influence. In today's dynamic global landscape, effective leadership transcends traditional management, demanding a profound understanding of human emotions and the ability to inspire and guide others with authenticity. Participants will embark on a transformative journey to enhance their self-awareness, master self-regulation, develop acute social awareness, and refine their relationship management skills, all critical components of emotional intelligence. The curriculum draws upon seminal works in the field, including insights from Daniel Goleman's groundbreaking research, notably his work in "Primal Leadership: Realizing the Power of Emotional Intelligence," which underscores the profound impact of emotionally intelligent leaders on organizational climate and performance. This course provides practical frameworks and actionable strategies for leaders to not only understand their own emotional landscape but also to effectively read and respond to the emotions of their teams and stakeholders. By fostering a culture of empathy, trust, and clear communication, participants will learn to exert positive influence, drive engagement, and navigate complex challenges with resilience. This program is essential for anyone aspiring to lead with greater impact, foster collaborative environments, and achieve sustainable organizational success through enhanced leadership development and strategic influence.
